

# Risk Assessment - Biodiversity

| Risk to biodiversity | Risks on your farm | Overall risk |
|----------------------|--------------------|--------------|
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |
|                      |                    |              |

| Likelihood | Consequence |         |        |
|------------|-------------|---------|--------|
|            | Slight      | Serious | Major  |
| Low        | Low         | Low     | Medium |
| Medium     | Low         | Medium  | High   |
| High       | Medium      | High    | High   |
