Beef + Lamb New Zealand invests in people

Beef + Lamb New Zealand (B+LNZ) understands that the future success of New Zealand's sheep and beef sector relies on attracting and retaining talented and motivated people to work within it. Learn more about B+LNZ's People and Capability workstream and how you can get involved below.

Our vision is

To build a thriving sheep and beef farming community by enhancing retention, fostering leadership, and celebrating success through robust training and education from day one to beyond year three.

Our key areas of work are:

- Supporting farmers to improve as employers creating positive work environments.
- Growing the practical skills and knowledge of new entrants to sheep and beef farming.
- Influencing current and future focuses of national education and vocational training across the qualification's framework
- Facilitating and promoting learning and knowledge sharing
- Connecting on farm champions, role models and influencers with the next generation of sheep and beef farmers.

B+LNZ's Employment Hub

We've developed an Employment Hub to assist farm employers and employees at every stage of their journey. The hub pulls together a range of resources into eight stages of employment to help assist both employers and employees with recruitment, defining on-farm roles, the application process, employee development, and more.

Knowledge Hub

Facing challenges or looking to do something new in your business? Or are you studying and want to learn more? The Knowledge Hub has a huge range of material from industry experts to help you get the information you need to make more informed decisions. From factsheets to learning modules and podcasts there is something to meet all needs.
