# OPEN DAY

Date: Tuesday 28 Nov 2023.  
Massey University,  
Palmerston North.

## COME ALONG!

This is a FREE field day at our Massey University farmlets. Come and explore what WHENUA HAUMANU is all about.

## WHAT ARE WE DOING?

Whenua Haumanu is the most comprehensive research programme investigating pastoral agriculture, including regenerative management, in New Zealand. The programme has been running for just over a year and we would like to show you what we have been up to.

## Event Information

“The format of the day will be structured to allow visitors to focus on either dairy or sheep, or both.”
