Nominators must notify their nominees of their nomination and ensure correct and validated information is provided.

All nominees/entrants agree to a phone call as part of the judging process to clarify, gather and validate information provided.

Judges reserve the right to not allocate an award in a category should the Awards criteria or the standards of entry not be met.

The judges' decision will be final and no discussion will be entered into. The judges panel reserve the right not to judge an entry if it is deemed to be unsubstantiated.

Entrants accept that their business must be compliant with relevant regulatory and environmental requirements.
