Agenda

1. About Gallagher
2. Electric Fence Systems
3. Weighing and EID Systems
4. eShepherd
5. Wireless Water Monitoring

Quiz

Intro

- TM Across the country

- 9 Territory Managers
- Supported by Hamilton-based Customer Services Team, Technical Support Team, Key Account Management Team and Marketing Team

About Gallagher

“Like all good stories, it started with a horse...”

Started in 1938, still proudly New Zealand owned and operated more than 80 years later

100 employees in Global Headquarters based in Hamilton (~200 people in R&D)

2,200 employees globally

10% of annual revenue reinvested into R&D

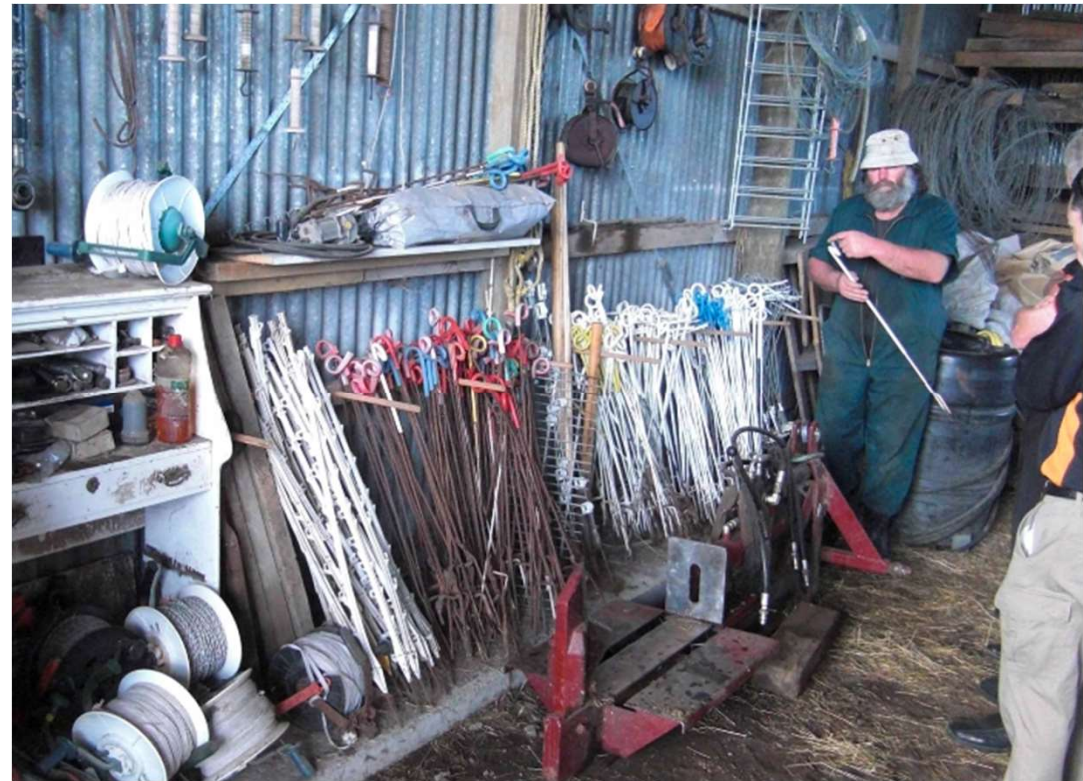

New Zealand manufacturing = unparalleled product integrity, quality, service and support

Minimal Management: Fuel Systems: Security

Farmers co-design the solutions through Voice of the customer

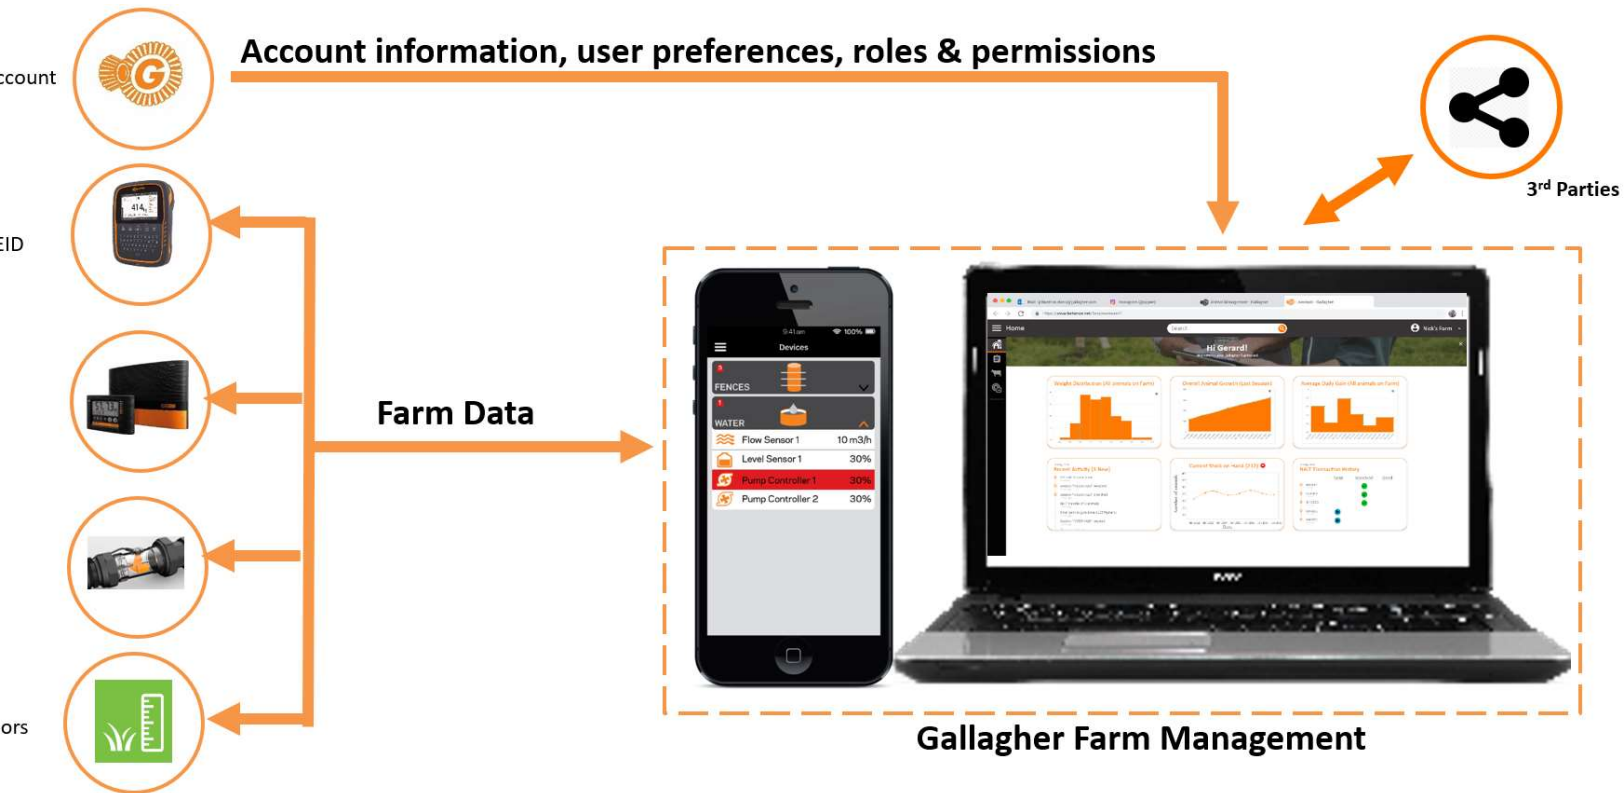

ideation → field testing → manufacturing

From Waikato to the World

Gallagher Smart Farms

Electric Fencing Systems

- i Series System
- AgDevices Fence App

Series Fence Energizers

Launched in 2012

First in the market to design a “**fence that talks**”, giving farmers full control, convenience and peace of mind

[Built tough](#)

Model	Stored Energy (Joules)	Property Size (Hectares/Acres)	Maximum Single Wire Distance	Multiwire Distance <i>Ideal Conditions</i>	Multiwire Distance <i>Typical Conditions</i>
Mains Powered					
12,000i 	120	480/1200	720kms	240kms	60kms
5,000i 	60	240/600	420kms	140kms	35kms
Multi-Powered (Mains, Battery, Solar)					
BS2800i	28	120/300	240kms	80kms	20kms
BS1800i	18	75/90	195kms	65kms	17kms
BS1000i	10	40/100	135kms	45kms	11kms

Engage with your local Territory Manager to ensure you maximise the energizer performance!

Complete the i Series system

Fence Monitor

Energizer Remote and Fault Finder

Alarm System

WiFi Gateway

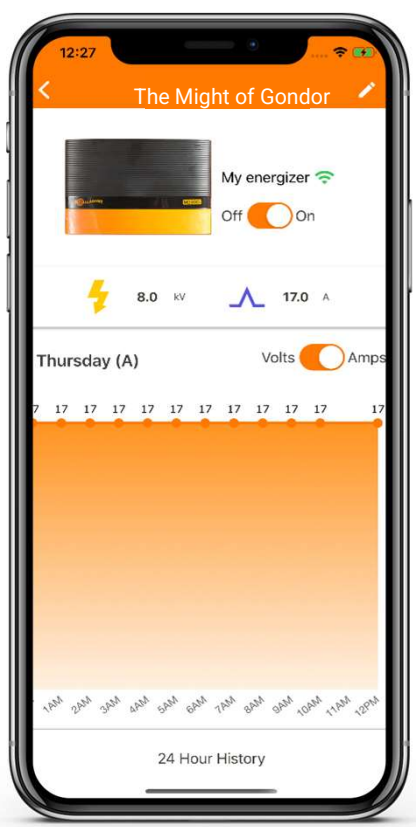

Ag Devices Fence

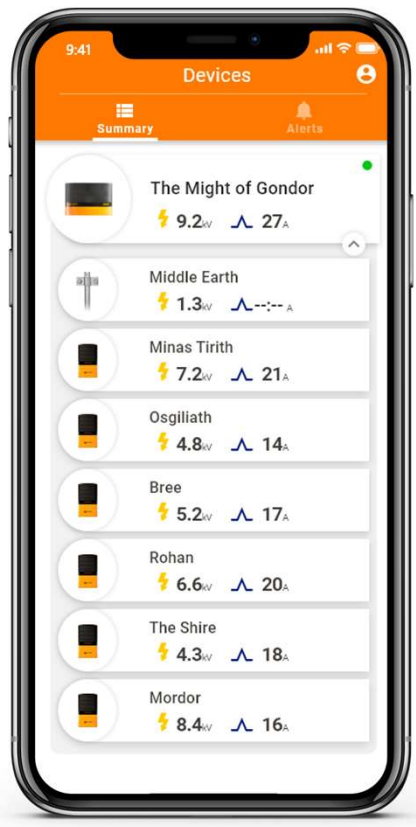

AgDevices Fence App NEW

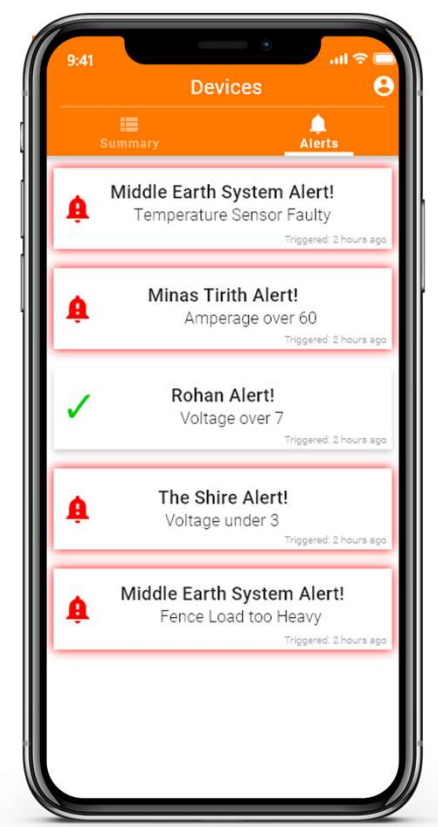

Link up one or multiple i Series Energizers

Turn i Series Energizer on/off

Monitor and control multiple zones

Receive alerts

Weighing and EID Systems

- Award-winning touchscreen technology
- Traceability and individual animal monitoring

The Gallagher WEID System

Weigh Scales

EID Readers

Loadbars

5000kg HD Wireless Loadbars 1000mm

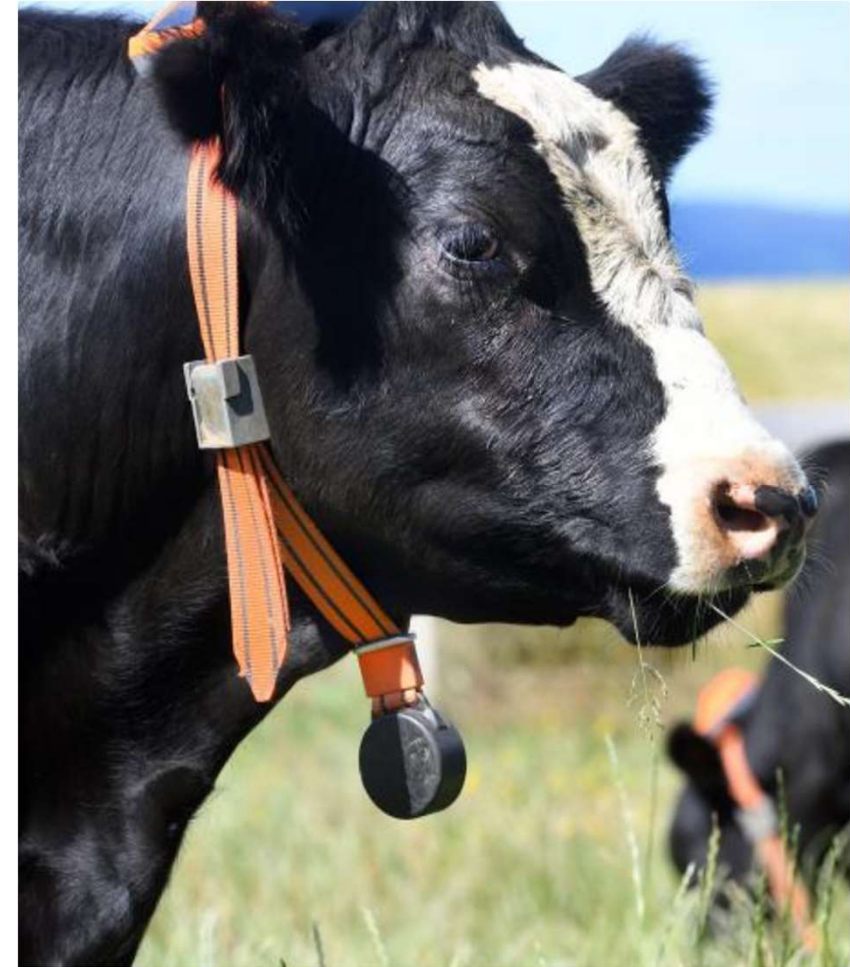

eShepherd

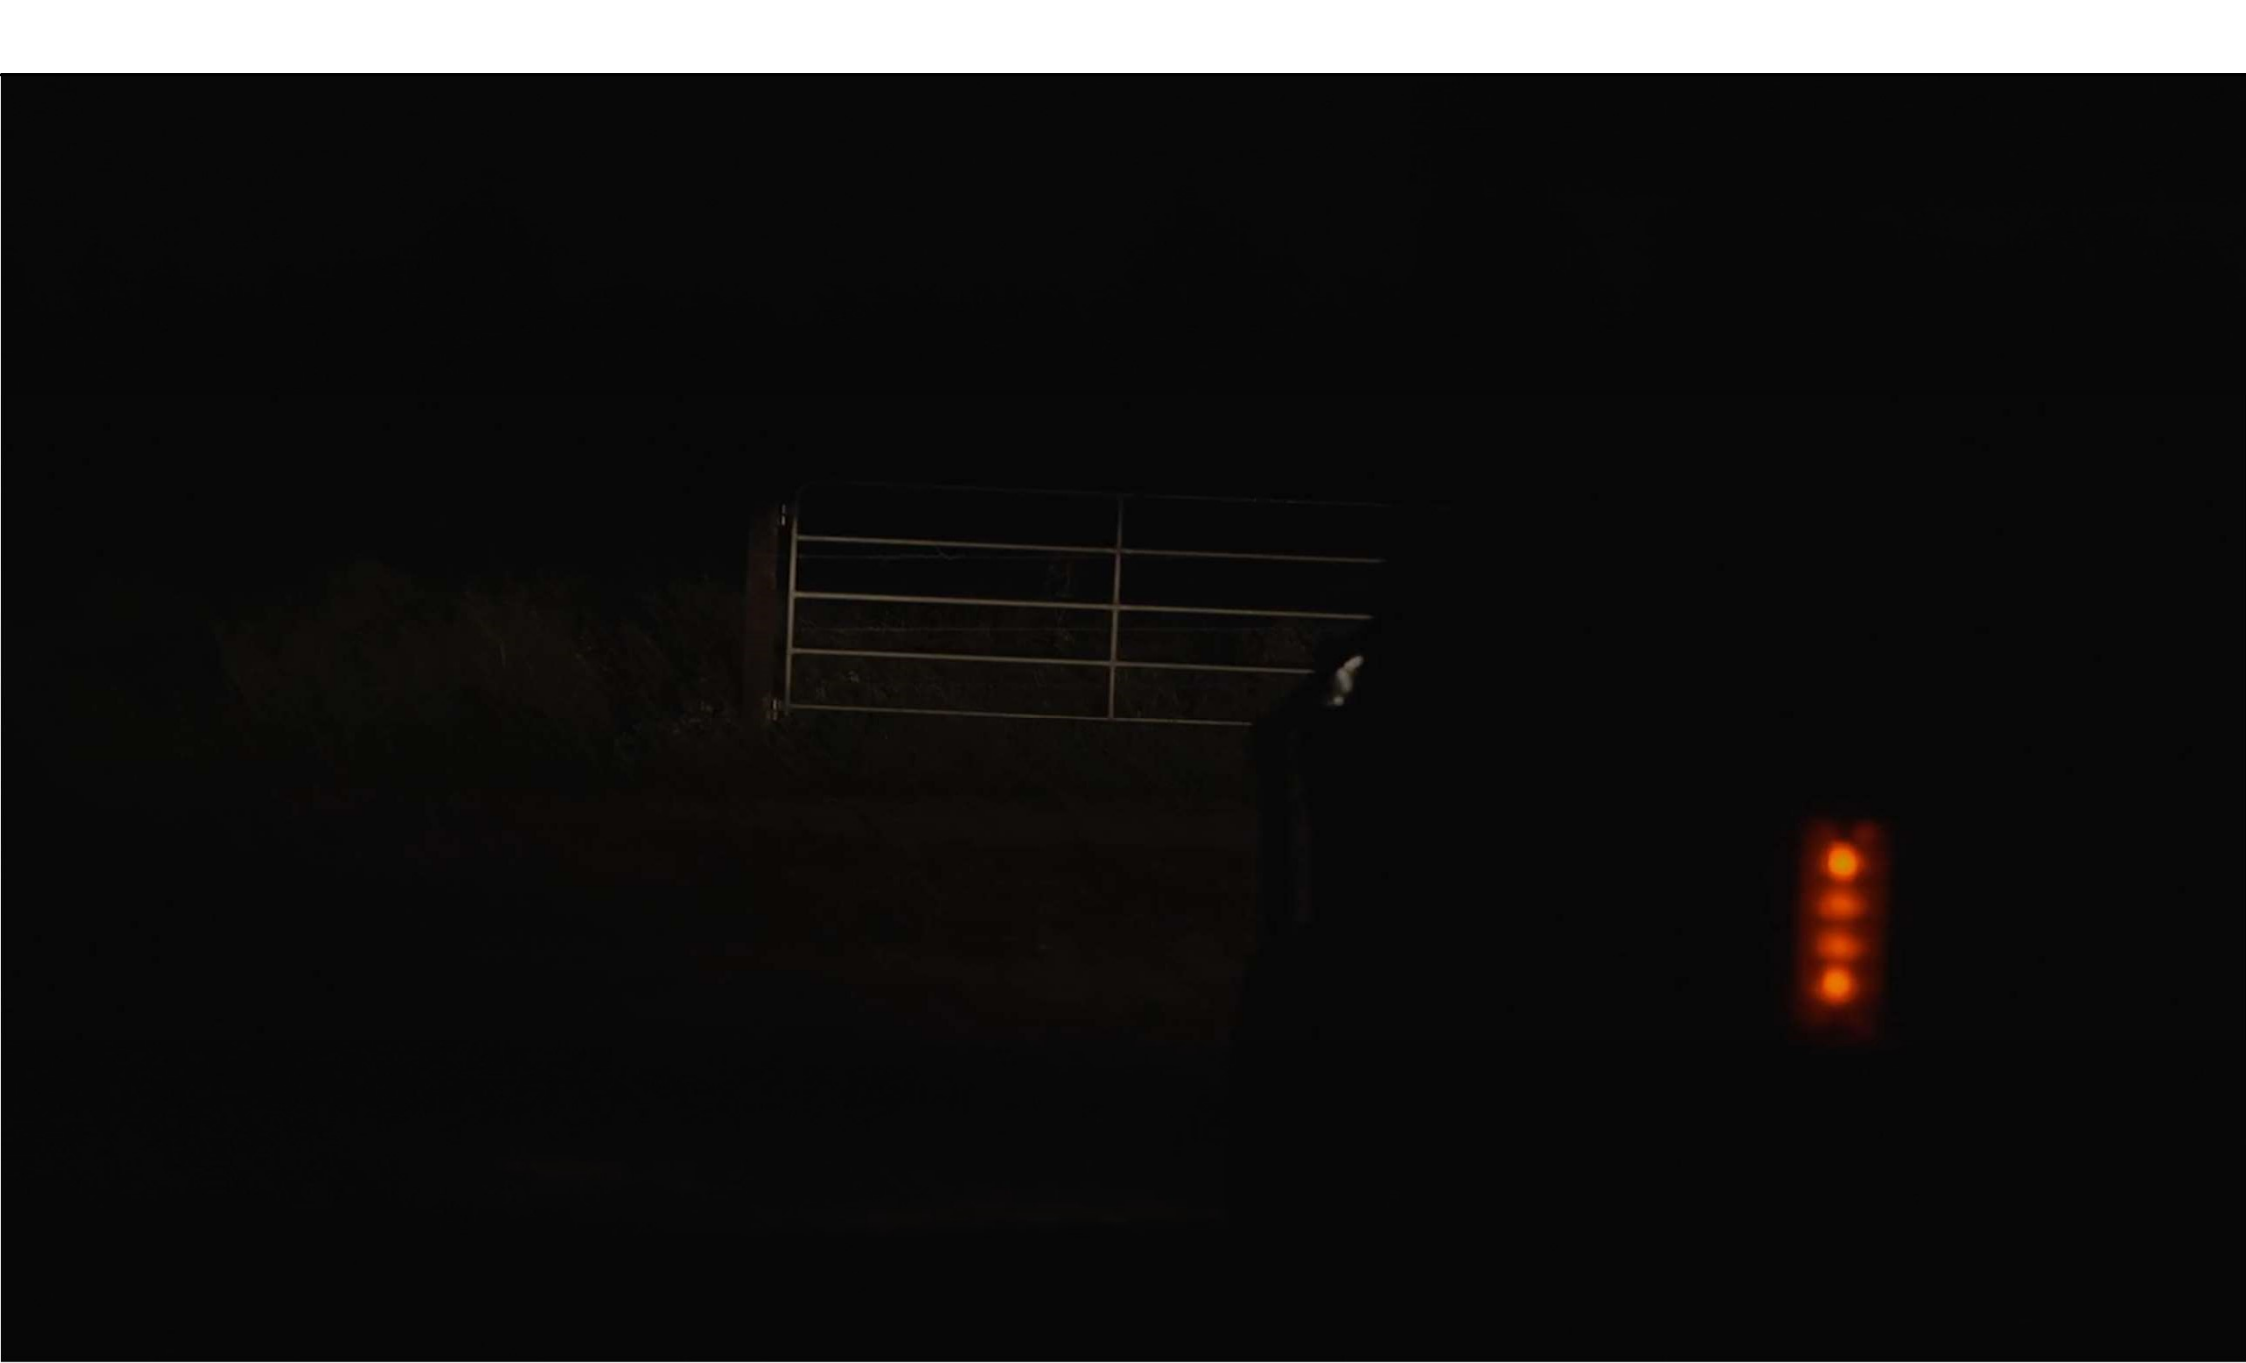

- Monitor every animal like it's your only animal.

eShepherd

COMING
SOON

- Wearable technology (neckbands) is the future in pastoral farming
- Key enabler for productivity and traceability
- Manage every animal like it's your only animal
- Imagine a world where you could put up fences anywhere from your kitchen table
- Gallagher acquires Agersens (Australia) from June 2021

Wireless Water Monitoring

- Monitor and measure water level and flow information

Never worry about your water supply again.

COMING
SOON

Know your low

Measure tank levels to monitor water availability.

Know your flow

Measure water flow to identify and find leaks earlier.

How much of Gallagher revenue is
invested back into RnD

A promotional banner with an orange background. On the left, a white-bordered box contains the Gallagher logo at the top, followed by the text "WIN A GALLAGHER PRODUCT VOUCHER" and "\$100" in large, bold, black font. To the right of the box is a collection of Gallagher products: a spool of white wire with orange clips, a black MBS2800i device, a handheld device displaying "245g", a digital display showing "57.73", and several orange and black components.
