

GENERATION NEXT

Our Futures Sheep and Beef Farmers

Generation Next: Our Futures Sheep and Beef Farmers is a programme designed to nurture, assist and encourage the current and future farmers within our sector.

The programme involves the delivery of three workshops over a six month period with the following objectives:

- Understand the farm business - financial basics and management
- Develop better decision making skills
- Understand technology and genetics within the industry
- Understand the importance of managing mental health and personal wellbeing
- Understand the overall industry goals and aims

20 spaces are available for this programme per region. Applications are to attend all three workshops (no single workshop attendance).

Free programme to all associated levy payers and their employees.

Please note all travel and beverage expenses are at the participants own cost. All meals and some accommodation costs are covered.
