

# Environmental Issues Roadshow

Meetings with Farmers, with a particular focus on Essential Freshwater, but we will also cover climate change and biodiversity at some of them.

**THE BLUE ROWS** MfE specific consultation meetings with farmers. We, Federated Farmers and DairyNZ welcome farmers stay on after these meetings so that we can talk in more detail about the proposals and what they mean for farmers.

**THE GREEN ROWS** B+LNZ specific meetings with farmers where we will also talk about the essential freshwater proposals, climate change and biodiversity
